

Bertram Nursery Group: Central Office Update

Following the PM's brief last night and the formal guidance on restrictions for travel and leaving your home our Central Support Office closes today. Teams will instead be working from home under the guidance of their departmental managers.

We appreciate a number of nurseries continue to operate for essential Key Workers. Our Ops teams are taking a day to day view of numbers as to close or continue to operate for front line Key Workers where absolutely essential to do so, in partnership with local authorities. Once again, a huge thank you to our staff teams who are showing inspirational levels of commitment and whom have shown understanding to make sure they can make the 'right' decisions for our employees and parent families.

Our central team remain contactable by phone (0131 285 1580), email (enquiries@bertramuk.com) and through our social media channels so please do not hesitate to get in touch. We are still here.

Remember the message is:

- Social distancing
- Hygiene
- Stay Home, Save Lives and Save the NHS.

Most importantly, please look after yourselves and each other.

Kind regards,

Cary Rankin

Managing Director
