The Scottish Government have since announced that we can open from 15th July 2020. We are staggering this to ensure that all children and staff return safely.

Our first set of nurseries opening will do so from the 15th of July 2020 for all children. Your nursery place will be confirmed as we must ensure that children return safely and start dates staggered.

The Nurseries opening from 15th July are:

- *Celtic Cross Nursery*
- *Enchanted Forest Erskine*

As well as Happitots Glasgow Airport and Oranges & Lemons Technology Park which have remained open throughout but will now be welcoming all children back.

Other nurseries not mentioned above will now open slightly earlier than we originally advised, on the 20th and 27th of July. We will confirm what date your nursery will open before the 3rd of July.

We will be contacting all parents whose children currently attend the above nurseries and have confirmed via our parent survey that they would like to return to confirm your child's session plan and returning date. If you have not yet completed our survey but you do plan to return please complete our [survey](#).

For all parents who indicated they were unsure on returning, our managers will be in touch on their return to discuss your questions with you before confirming if or when you will be returning. If you would like to change any information please feel free to complete our survey again.

We look forward to welcoming our families back soon.

Stay Safe,

The Bertram Nursery Group
